To

The Firms dealing in Mechanical Equipment.

Enquiry No. 15084.

Sub. :—Supply of Mechanical Equipment to Sri Jayachamarajendra Occupational Institute, Bangalore.

Dear Sir/Gentlemen,

No. S.P.C. 37341-370. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the schedule noted below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions.

The quotations should be sent in duplicate in sealed covers duly superscribed "**Quotations for the supply of Mechanical Equipment to Sri Jayachamarajendra Occupational Institute, Bangalore**" with the above enquiry number.

This enquiry will be closed on the 8th October 1956.

SCHEDULE.

F.O.R.—Bangalore

1.	Crosby indicators—Speed up to 800 and 100 rpm. The strength of the loaded springs 1/15, 1/20, 1/30, 1/60. Both Dobbie—Mc. Innes and Crosley indicators should be provided with 2 cocks and necessary tools.	One set
2.	Vertical Donkey stem pump working at 50 to 75 lbs. per sqr. Inch, steam pressure capable of pumping 150 ft. to 200 ft. head, necessary indicators to be supplied to find out 1 H. P.	One
3.	Petrol engine "Armstrong Withworth" 10 H. P. vertical type with variable compression head for conducting laboratory experiments such as 1 H. P. and for testing the fuels.	One

N.B.—(1) Tenderers may also submit alternative offers for similar equipments for our consideration.

(2) An earnest money of Rs. 100 should be deposited in the Reserve Bank of India, Bangalore, to the Personal Deposit Account of the Secretary, Stores Purchase Committee, and the fact noted in the tender.

(3) Quotations will be opened at 2 P.M. on the next working day or the following day after the closing date of the enquiry. The date of the opening will be notified on the office Notice Board on the previous day.

Conditions.

1. The Stores Purchase Committee do not bind themselves to accept the lowest or any tender but reserve to themselves the right to select from any tender such articles as they may consider expedient to accept.

2. The tender must be accompanied by full specifications and details of technical data for the equipment offered, together with description, drawings and literature.

3. Should an order be placed as a result of the tender, it should be distinctly understood that the materials should strictly conform to our specifications. In the event of materials not conforming thereto being supplied, the contractors will be required to replace the materials by the correct ones without extra charge.

4. The materials should be supplied within the time stipulated in the tender.

5. In case of dispute as regards the satisfactory performance or otherwise of the contract, the decision of the Stores Purchase Committee shall be final.

6. If any tenderer withdraws from his tender before the period of three months fixed for the acceptance or if the tenderer whose tender is accepted fails to execute the agreement and furnish the deposit of 5 per cent of the value of the contract, the earnest money deposited by him will be forfeited to Government. The earnest money of unsuccessful tenderers will be returned.

7. The prices quoted will hold good for a period of three months from the last day fixed for receiving tenders and in default of doing so, to pay the sum equal to 3 per cent on the aggregate amount of this tender as and by way of liquidated damages.

8. Failure to make supply whether of a portion of the material or the entire quantity as per the terms of indent, or non-performance or non-supply in time or regularly, or supplying material, which does not conform to the specifications, quality prescribed, or the sample approved or which is found defective in any other way or for breach of any of the conditions stipulated, will entail enforcement of one or more of the following:—

(1) Cancellation of the indent or order in part or in whole.

(2) Imposition of penalty at the rate specified in the Indent or if no such rate is specified, at a sum not exceeding 3 per cent of the value of the order, at the discretion of the President, Stores Purchase Committee.

(3) Forfeiture or adjustment of Earnest Money or/and Security Deposit in whole or to the extent necessary or considered fit by the President, Stores Purchase Committee.

(4) Recovery of extra cost, if any, incurred by the Departments, in securing the materials from other sources, by adjustment from money due to the defaulter or otherwise.

9. The articles and the quantities mentioned in the enquiry are only provisional and the Stores Purchase Committee reserve the right to place orders either for all the articles and for the quantity mentioned in the enquiry or for such of the articles and in such quantities as may be actually required at the time of placing the order and subsequently before the close of three months from the date of expiry of the enquiry and to close the enquiry thereafter. It is open to the S.P.C. to institute fresh enquiry even earlier, if it considers fit and desirable for satisfactory seasons.

10. Whatever may be the conditions of sale specified or indicated in the tender quotations, it is only the conditions indicated in the schedule of order and in the tender notification that will bind the Stores Purchase Committee or the Indenting Department and that if any successful tenderer wishes that some other conditions quoted by him should also be accepted he should specifically raise the issue as soon as the schedule of orders reach him and get the same accepted or clarified.

11. The successful tenderer shall be prepared and to deposit security amount not exceeding 5 per cent of the value of the order and to execute an agreement on a Mysore Government Stamp Paper of Rs. 1-8-0 for the proper performance of the contract.

12. Quotations with firm prices will be preferred.

13. Sales-tax, if any, should be quoted separately.

14. No enhancement of prices will be allowed after the acceptance of the tender.

N.B.—Quotations will be opened at 2 P.M. on the next working day after the closing date of the enquiry.

Enquiry No. 15091.

Sub.:—The machinery required for Birur Water Supply Works.

Gentlemen,

No. S.P.C. 37711-740. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the schedule noted below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions.

The quotations should be sent in duplicate in sealed covers duly superscribed **"Quotations for the supply of Machinery required for Birur Water Supply Works"** with the above enquiry number.

This enquiry will be closed on the 1st October 1956.

SCHEDULE.

F.O.R. Davangere
Delivery: from Ready Stock.

Specification for Air Compressor unit required for Birur Water Supply.

Air compressor plants suitable for harnessing 9 borewells situated within a radius of about 600' from the compressor station.

The yield and other details of the wells being approximately as under:—

Depth in each bore well	...	115 ft. to 150 ft.
Total yield from all bore wells	...	150 g.p.m. (each well 1,000 g.p.h.)
Working submergence	...	50 per cent.
Total lift	...	50 ft. to 75 ft.

The wells are proposed to be harnessed in two independent groups, each group being worked with a compressor to lift about 75 g.p.m. of water.

A. Compressor.—Stationary water cooled air compressor of capacity 75 to 80 c.f.m. f.a.d. at a maximum pressure of 100 P.S.I. while running at 400 to 500 R.P.M. suitable for 'V' belt driven by an electric motor of suitable capacity.

It shall be provided with all necessary accessories like air strainer, unloader assembly, receiver tank fitted with safety valve, pressure gauge, drain cock, etc., A set of 'V' belts and 'V' grooved pulley of suitable dia. fitted to the shaft and a set of tools to overhaul the compressor.

B. Motor:—Electric motor of required power suitable for operation on A.C. 50 cycles, 400 to 440 volts, 3 phase power supply system.

It shall be provided with a suitable starter, voltmeter, ammeter, a grooved pulley, fastened to the shaft, to drive the compressor at the desired R.P.M. and a pair of slide rails.

C. Spares for the unit:—(1) Compressor. One set of piston rings (both compression and oil) one valve assembly or springs, gaskets for all joints at 4 sets of each joint, one set of 'V' belts and one set of bearings. (2) Motor: one set of bearing. No. of sets required—3.

Specification for Direct Driven Pump Set for Water Supply to Birur Town.

The pump and motor described below shall be mounted on a common cast iron bed plate and connected by means of flexible coupling.

(a) Pump: Capacity of 250 g.p.m. against a total head of 130' to 150' from all causes. The pump shall work at 1440 r.p.m.

Type of casing:—Horizontal spindle split on the shaft centre line.

Impellers:—To be of fine phospher bronze.

(b) Motor: Type: Squirrel cage induction motor totally enclosed or drip proof and tropically insulated, R.P.M. 1440.

Power supply available: Alternating current 3 Ph. 400/440 volts. 50 Cycles; H.P. of Motor between 25 to 30.

Spare to be supplied with each set—

Pump:—1. One set rotating elements ... } Motor: 1. One set of bearings.
2. One set of bearings ... }

Accessories to be supplied with each set—

A. Pump ... 1. Foot valve with strainer, delivery valve, non-return valve with byepass connections, pressure gauge, vacuum gauge, priming tendish.

One set of spanners suitable for overhauling the pump and motor.

B. Motor: Auto transformer type starter suitable for the motor, ammeter of suitable range, voltmeter 0 to 600 volts.

Number of sets required .. two

N.B.—An earnest money of Rs. 100 should be deposited in the Reserve Bank of India, Bangalore, to the Personal Deposit Account of the Secretary, Stores Purchase Committee and the fact noted in the tender.

CONDITIONS.

1. The Stores Purchase Committee do not bind themselves to accept the lowest or any tender but reserve to themselves the right to select from any tender such articles as they may consider expedient to accept.

2. The tender must be accompanied by full specifications and details of technical data for the equipment offered, together with description, drawings and literature.

3. Should an order be placed as a result of the tender, it should be distinctly understood that the materials should strictly conform to our specifications. In the event of materials not conforming thereto being supplied, the contractors will be required to replace the materials by the correct ones without extra charge.

4. The materials should be supplied within the time stipulated in the tender.

5. In case of dispute as regards the satisfactory performance or otherwise of the contract, the decision of the Stores Purchase Committee shall be final.

6. If any tenderer withdraws from his tender before the period of three months fixed for the acceptance or if the tenderer whose tender is accepted fails to execute the

agreement and furnish the deposit of 5 per cent of the value of the contract, the earnest money deposited by him will be forfeited to Government. The earnest money of unsuccessful tenderers will be returned.

7. The prices quoted will hold good for a period of three months from the last day fixed for receiving tenders and in default of doing so, to pay the sum equal to 3 per cent on the aggregate amount of this tender as and by way of liquidated damages.

8. Failure to make supply, whether of a portion of the material or the entire quantity as per the terms of indent or non-performance or non-supply in time or regularly, or supplying material, which does not conform to the specifications, quality prescribed, or the sample approved or which is found defective in any other way or for breach of any of the conditions stipulated, will entail enforcement of one or more of the following :—

(1) Cancellation of the indent or order in part or in whole;

(2) Imposition of penalty at the rate specified in the indent or if no such rate is specified at a sum not exceeding 3 per cent of the value of the order, at the discretion of the President, Stores Purchase Committee;

(3) Forfeiture or adjustment of earnest money or/and Security Deposit in whole or to the extent necessary or considered fit by the President, Stores Purchase Committee;

(4) Recovery of extra cost, if any, incurred by the departments in securing the material from other sources, by adjustment from money due to the defaulter or otherwise.

9. The articles and the quantities mentioned in the enquiry are only provisional and the Stores Purchase Committee reserve the right to place orders either for all the articles and for the quantity mentioned in the enquiry or for such of the articles and in such quantities as may be actually required at the time of placing the order and subsequently before the close of three months from the date of expiry of the enquiry and to close the enquiry thereafter.

10. SCHEDULE.

		F.O.R. Destination. Quantity required.
	SCIENCE APPARATUS.	
1	Retort stand (iron) with rings clamps boss head heavy cast iron base... ...	6
2	Buretle stands—Wooden with clamps ...	6
3	Funnel stands—Wooden, with holders ...	6
4	Glass bottles, about 1,000 cc. capacity big mounted (to store chemicals)	24
5	Glass bottles (reagent—16 ounces big size) ...	12
6	Do Reagent bottles—8 ounces ord. size ...	12
7	Gas jars with ground glass covers size 5"x2" dia.	24
8	Common balance with a gate knife edges and glass case (58/18	1
9	Calorimeter set with tin outer stirrer ...	6 sets
10	Porcelain pneumatic troughs (15"×18") diameter)..	3
11	Do Bee live shelves	6 sets.
12	Socket Cylinder (Brass)	3 sets.
13	Flask rack (wooden about 24 flasks) ...	1
14	Hare's apparatus mounted on wooden stands ...	6
15	Simple galvanoscope with thick brass or copper wire on wooden stand	1
16	Lechauche cells	3
17	D.C. Dynamo model with electric bulbs ...	1
18	Steam—traps made of glass (for latent heat of steam-Expt.)	6
19	Specific heat apparatus (All metal with outlet for steam expt.)	6
20	Inner metal vessel to keep the solid steam boilers Tin	6
21	Newton's Colour Disc-mounted on stand ...	1
22	Electric magnet	2
23	Moment bar graduated	1
24	Sets of plane lamina—made of metal with uniform thickness but of different shapes	1 set of four leminane.
25	Pulley—fixed (one hook)	2
26	Pulley—moveable (two hooks)	3
27	Inclined plane—wooden with glass top, roller pan	1
28	Apparatus to show conductivity of different metals fixed to a circular ring	1
29	Do fixed to a rectangular metal box (Ingine hauze)	1
30	Simple pendulam bobs of different metals of different weights	1 set of six.
31	Test-tube holders—brass with wooden handles ...	12
32	Do stands—6 holes 6 page ...	12
33	Deflagrating spoons	12
34	Apparatus to show that pressure of water increases with depths	1
35	Round Bottom flasks 250 cc.	6
36	Conical flasks—250 cc.	6
37	Pinch cocks—screw type	12
38	Pinch cocks self-compression type	12
39	Apparatus to demonstrate that light travels in straight lines	2 sets.
40	Refraction apparatus (Wright's Tin through with glass windows)	1
41	Desiccators—glass dia. 4"	3
42	Drying towers for Ammonia	2
43	Beakers—100 cc.	12
44	Do 150 cc.	12
45	Glass funnels about 2.5" dia.	12
46	Do 2" dia.	12
47	Pocket compass needle—(magnetic) needle in a metal case with glass lid (1" dia.)	1
48	Hard glass (pyrex) test-tube (big size) ...	12
49	Simple voltaic cell (complete with zinc and copper plates)	2
50	Tripod stand iron—height 6"	12
51	Glass Retorts	2
52	Mercury Tray—porcelain (rectangular) ...	2
53	Spring Balances (1 to 100 grams)	3
54	Adjustable rectangular slit made of metal on stand.	1
55	Magic Lantern—(complete)	1
56	Wire-Gauze with Asbestos Coating (6"×6") ...	12
57	Upward pressure of water—apparatus with a glass tube, hooked brass lid.	2 sets
58	Hydrostatic balance—with third pans ...	2
59	Sponge—pieces	2
60	Glass slabs rectangular 4"×2½"×1"... ...	3
61	Prisms—Triangular (1½" size)	2
62	Geometrical instruments—complete in a box with metre scale.	1 set
63	Bicycle pump	1
64	Small cylinders or cubes of different metals but of same size.	1 set of six
65	Clay pipe triangles	6
66	Centigrade Thermometers 110×½"	3
67	Daniel Cells—complete size 6"×4"	2
68	Simple magnifier with tripod brass stand ...	1
69	Double convex lens fixed to a metal handle dia. 2½".	1
70	Graduated jars—250 cc.	2
71	Do 100 cc.	3
72	Big glass jars to float Hydrometers... ...	2
73	U-tube mounted on stand	1
74	Bar magnet length 6" to 7" with box ...	2
75	Apparatus to demonstrate the formation of Eclipses (Superior).	1
76	Centre of gravity toys	1 set of 4
77	Prism stand with adjustable platform ...	1
78	Tap key	1
79	Woulff's bottle (cap.—500 cc.)	2
80	Weighted rods of wood (with warmished heavy bottome)-	3
81	Spirit lamps—(brass)	6
82	Measuring flask—500 cc.	2
83	Do 250 cc.	2
84	Jantalus cup (all glass with stoppers) ...	1
85	Bell Jars with removable stoppers 8"×4" ...	4
86	Germinating show boxes with glass shutters on one side.	1
87	Apparatus to show transpiration in plants ...	1
88	Apparatus to show that germinating seeds give off CO_2.	1
89	Human skeleton with case	1
90	First Aid Box with full equipment	1 set
91	Plane mirror on T. W. stand revolvable ...	1
92	Lift pump—glass brass on stand with reservoir ...	1
93	Electric Motor	1
94	Watch glasses	12
95	Rectilinear propogation of light apparatus with triple candle holder.	1
96	Specific gravity bottle—50 cc.	4
97	Rectangular blocks of wood with 4"×3"×1" (fine edges).	6
98	Spheres of wood 1" diameter	3
99	Do 1½" diameter	3
100	Drawing pins (stout)	24
101	Glass cutter with six hard steel wheels ...	1
102	Cutting pliers (Superior)	1
103	Turn screw size 2½"	1
104	Do 4"	1
105	Files of size 1/4"×½"	2
106	Hammer	1
107	Hammer and Nailer (combined)	1
108	Hammer and case-opener comprised ...	1
109	Scissors (big and small)	2
110	Model of Heart	1
111	Plates of coloured glass of different colours (4 plates 1 set).	1 set

Note.—1. An earnest money of Rs. 100 should be deposited in the Reserve Bank of India, Bangalore, to the Personal Deposit Account of the Secretary, Stores Purchase Committee and the fact noted in the tender.

2. Quotations will be opened at 2 P.M. on the next working day or the following days after the closing date of the enquiry. The date of the opening will be notified on the Office Notice Board on the previous day.

Conditions.

1 The Stores Purchase Committee do not bind themselves to accept the lowest or any tender but reserve to themselves the right to select from any tender such articles as they may consider expedient to accept.

2. The tender must be accompanied by full specifications and details of technical data for the equipment offered, together with the description, drawings and literature.

3. Should an order be placed as a result of the tender, it should be distinctly understood that the materials should strictly conform to our specifications. In the event of materials not conforming thereto being supplied, the contractors will be required to replace the materials by the correct ones without extra charge.

4. The materials should be supplied within the time stipulated in the tender.

5. In case of dispute as regards the satisfactory performance or otherwise of the contract, the decision of the Stores Purchase Committee shall be final.

6. If any tenderer withdraws from his tender before the period of three months fixed for the acceptance or if the tenderer whose tender is accepted fails to execute the agreement and furnish the deposit of 5 per cent of the value of the contract, the earnest money deposited by him will be forfeited to Government. The earnest money of unsuccessful tenderers will be returned.

7. The prices quoted will hold good for a period of three months from the last day fixed for receiving tenders and in default of doing so, to pay the sum equal to 3 per cent on the aggregate amount of this tender as and by way of liquidated damages.

8. Failure to make supply, whether of a portion of the material or the entire quantity as per the terms of indent, or non-performance or non-supply in time or regularly, or supplying material, which does not conform to the specifications, quality prescribed, or the sample approved or which is found defective in any other way or for breach of any of the conditions stipulated, will entail enforcement of one or more of the following :—

(1) Cancellation of the indent or order in part or in whole.

(2) Imposition of penalty at the rate specified in the indent or if no such rate is specified, at a sum not exceeding 3 per cent of the value of the order, at the discretion of the President, Stesor Purchase Committee.

(3) Forfeiture or adjustment of Earnest Money or/and Security Deposit in whole or to the extent necessary or considered fit by the President, Stores Purchase Committee.

(4) Recovery of extra cost, if any, incurred by the Departments in securing the material from other sources, by adjustment from money due to the defaulter or otherwise.

9. The articles and the quantities mentioned in the enquiry are only provisional and the Stores Purchase Committee reserve the right to place orders either for all the articles and for the quantity mentioned in the enquiry or for such of the articles and in such quantities as may be actually required at the time of placing the order and subsequently before the close of three months from the date of expiry of the enquiry and to close the enquiry thereafter.

10. Whatever may be the conditions of sale specified or indicated in the tender quotations, it is only the conditions indicated in the schedule of order and in the tender notification that will bind the Stores Purchase Committee or the Indenting Department and that if any successful tenderer wishes that some other conditions quoted by him should also be accepted, he should specifically raise the issue as soon as the schedule of orders reach him and get the same accepted or clarified.

11. The successful tenderer shall be prepared and to deposit a security amount not exceeding 5 per cent of the value of the order and to execute an agreement on a Mysore Government Stamp Paper of Re. 1-8-0 for the proper performance of the contract.

12. Quotations with firm prices will be preferred.

13. Sales-tax, if any, should be quoted separately.

14. No enhancement of prices will be allowed after the acceptance of the order.

N.B.— Quotations will be opened at 2 P.M. on the next working day or the following days, after the closing date of the enquiry. "The date of opening will be notified on the office Notice Board on the previous day".

N.B.—An earnest money of Rs. 100 should be deposited in the Reserve Bank of India, Bangalore, to the Personal Deposit Account of the Secretary, Stores Purchase Committee, and the fact noted in the tender.

CONDITIONS.

1. The Stores Purchase Committee do not bind themselves to accept the lowest or any tender but reserve to themselves the right to select from any tender such articles as they may consider expedient to accept.

2. The tender must be accompanied by full specifications and details of technical data for the equipment offered, together with the description, drawings and literature.

3. Should an order be placed as a result of the tender, it should be distinctly understood that the materials should strictly conform to our specifications. In the event of materials not conforming thereto being supplied, the contractors will be required to replace the material by the correct ones without extra charge.

4. The materials should be supplied within the time stipulated in the tender.

5. In case of dispute as regards the satisfactory performance or otherwise of the contract, the decision of the Stores Purchase Committee shall be final.

6. If any tenderer withdraw from his tender before the period of three months fixed for the acceptance or if the tenderer whose tender is accepted fails to execute the agreement and furnish the deposit of 5 per cent of the value of the contract, the earnest money deposited by him will be forfeited to Government. The earnest money of unsuccessful tenderers will be returned.

7. The prices quoted will hold good for a period of three months from the last day fixed for receiving tenders and in default of doing so, to pay the sum equal to 3 per cent on the aggregate amount of this tender as and by way of liquidated damages.

8. Failure to make supply, whether of a portion of the material or the entire quantity as per the terms of indent, or non-performance or non-supply in time or regularly, or supplying material, which does not conform to the specifications, quality prescribed, or the sample approved or which is found defective in any other way or for breach of any of the conditions stipulated, will entail enforcement of one or more of the following :—

(1) Cancellation of the indent or order in part or in whole.

(2) Imposition of penalty at the rate specified in the indent or if no such rate is specified, at a sum not exceeding 3 per cent of the value of the order, at the discretion of the President, Stores Purchase Committee.

(3) Forfeiture or adjustment of earnest money or/ and Security Deposit in whole or to the extent necessary or considered fit by the President, Stores Purchase Committee.

(4) Recovery of extra cost, if any, incurred by the Departments in securing the material from other sources, by adjustment from money due to the defaulter or otherwise.

9. The articles and the quantities mentioned in the enquiry are only provisional and the Stores Purchase Committee reserve the right to place orders either for all the articles and for the quantity mentioned in the enquiry or for such ofthe articles and in such quantities as may be actually required at the time of placing the order and subsequently before the close of three months from the date of expiry of the enquiry and to close the enquiry thereafter.

10. Whatever may be the conditions of sale specified or indicated in the tender quotations, it is only the conditions indicated in the Schedule of Order and in the tender notification that will bind the Stores Purchase Committee or the Indenting Department and that if any successful tenderer wishes that some other conditions quoted by him should also be accepted, he should specifically raise the issue as soon as the Schedule of Orders reach him and get the same accepted or clarified.

11. The successful tenderer shall be prepared and to deposit a security amount not exceeding 5 per cent of the value of the order and to execute an agreement on a Mysore Government Stamp Paper of Re. 1-8-0 for the proper performance of the contract.

12. Quotations with firm prices will be preferred.

13. Sales-Tax, if any, should be quoted separately.

14. No enhancement of prices will be allowed after the acceptance of the order.

N.B.—Quotations will be opened at 2 P.M. on the next working day or the following days after the closing date of the enquiry. The date of the opening will be notified on the Office Notice Board on the previous day.

Failure to make supply whether of a portion of the material or the entire quantity as per the terms of indent, or non-performance or non-supply in time or regularly, or supplying material, which does not conform to the specifications, quality prescribed, or the sample approved or which is found defective in any other way or for breach of any of the conditions stipulated, will entail enforcement of one or more of the following :—

(1) Cancellation of the indent or order in part or in whole.

(2) Imposition of penalty at the rate specified in the indent or if no such rate is specified, at a sum not exceeding 3 per cent of the value of the order, at the discretion of the President, Stores Purchase Committee ;

(3) Forfeiture or adjustment of Earnest Money or/and Security Deposit in whole or to the extent necessary or considered fit by the President, Stores Purchase Committee ;

(4) Recovery of extra cost, if any, incurred by the Departments in securing the material from other sources, by adjustment from money due to the defaulter or otherwise.

9. The articles and the quantities mentioned in the enquiry are only provisional and the Stores Purchase Committee reserve the right to place orders either for all the articles and for the quantity mentioned in the enquiry or for such of the articles and in such quantities as may be actually required at the time of placing the order and subsequently before the close of three months from the date of expiry of the enquiry and to close the enquiry thereafter. It is open to the S.P.C. to institute fresh enquiry even earlier, if it considers fit and desirable for satisfactory reasons.

10. Whatever may be the conditions of sale specified or indicated in the tender quotations, it is only the conditions indicated in the schedule of order and in the tender notification that will bind the Stores Purchase Committee or the Indenting Department and that if any successful tenderer wishes that some other conditions quoted by him should also be accepted, he should specifically raise the issue as soon as the schedule of orders reach him and get the same accepted or clarified.

11. The successful tenderer shall be prepared and to deposit a security amount not exceeding 5 per cent of the value of the order and to execute an agreement on a Mysore Government stamp paper of Rs. 1-8-0 for the proper performance of the contract.

12. Quotations with firm prices will be preferred.

13. Sales-tax, if any, should be quoted separately.

14. No enhancement of prices will be allowed after the acceptance of the order.

N.B.—Quotations will be opened at 2 P.M. on the next working day after the closing date of the enquiry.

N.B.—(1) An earnest money of Rs. 100 should be deposited in the Reserve Bank of India, Bangalore, to the Personal Deposit Account of the Secretary, Stores Purchase Committee, and the fact noted in the tender.

Conditions.

1. The Stores Purchase Committee do not bind themselves to accept the lowest or any tender but reserve to themselves the right to select from any tender such articles as they may consider expedient to accept.

2. The tender must be accompanied by full specifications and details of technical data for the equipment offered, together with the description, drawings and literature.

3. Should an order be placed as a result of the tender it should be distinctly understood that the materials should strictly conform to our specifications. In the event of materials not conforming thereto being supplied, the contractors will be required to replace the materials by the correct ones without extra charge.

4. The materials should be supplied within the time stipulated in the tender.

5. In case of dispute as regards the satisfactory performance or otherwise of the contract, the decision of the Stores Purchase Committee shall be final.

6. If any tenderer withdraws from his tender before the period of three months fixed for the acceptance or if the tenderer whose tender is accepted fails to execute the agreement and furnish the deposit of 5 per cent of the value of the contract, the earnest money deposited by him will be forfeited to Government. The Earnest Money of unsuccessful tenderers will be returned.

7. The prices quoted will hold good for a period of three months from the last day fixed for receiving tenders and in default of doing so, to pay the sum equal to 3 per cent on the aggregate amount of this tender as and by way of liquidated damages.

8. Failure to make supply, whether of a portion of the material or the entire quantity as per the terms of indent, or non-performance or non-supply in time or regularly, or supplying material, which does not conform to the specifications, quality prescribed, or the sample approved or which is found defective in any other way or for breach of any of the conditions stipulated, will entail enforcement of one or more of the following :—

(1) Cancellation of the indent or order in part or in whole.

(2) Imposition of penalty at the rate specified in the Indent or if no such rate is specified, at a sum not exceeding 3 per cent of the value of the order, at the discretion of the President, Stores Purchase Committee.

(3) Forfeiture or adjustment of Earnest Money or/and Security Deposit in whole or to the extent necessary or considered fit by the President, Stores Purchase Committee.

(4) Recovery of extra cost, if any, incurred by the Departments in securing the material from other sources, by adjustment from money due to the defaulter or otherwise.

9. The articles and the quantities mentioned in the enquiry are only provisional and the Stores Purchase Committee reserve the right to place orders either for all the articles and for the quantity mentioned in the enquiry for such of the articles and in such quantities as may be actually required at the time of placing the order and subsequently before the close of three months from the date of expiry of the enquiry and to close the enquiry thereafter. It is open to the S. P. C. to institute fresh enquiry even earlier, if it considers fit and desirable for satisfactory reasons.

10. Whatever may be the conditions of sale specified or indicated in the tender quotations, it is only the conditions indicated in the schedule of order and in the tender notification that will bind the Stores Purchase Committee or the Indenting Department and that if any successful tenderer wishes that some other conditions quoted by him should also be accepted, he should specifically raise the issue as soon as the schedule of orders reach him and get the same accepted or clarified.

11. The successful tenderer shall be prepared to deposit security amount not exceeding 5 per cent of the value of the order and to execute an agreement on a Mysore Government stamp paper of Rs. 1-8-0 for the proper performance of the contract.

12. Quotations with firm prices will be preferred.

13. Sales Tax, if any, should be quoted separately.

14. No enhancement of prices will be allowed after the acceptance of the tender.

Local Indent No. 16504.

Supply of X-ray films and photo materials during 1956-57.

Gentlemen.

No. S.P.C. 38609.—With reference to your letter No. X-20004—62184. dated 5th September 1956, regarding several conditions of the order, I write to state as follows :—

As regards para 4 of your letter, under reference in respect of price revision, it is noted that the prices are to be treated as firm for the contract period, on condition that there is no increase in the Import or Customs Duty, in which event the prices are subject to revision and such revised prices will apply for the balance of the contract period.

Regarding paras 6 and 7 of your letter, I am to state that if there should be any delay in making the supplies for reasons beyond your control, which, however should be intimated to the Stores Purchase Committee and the Indenting Department, promptly, the question of condoning the delay will be, sympathetically considered.

As you have already furnished Bank Guarantee for Rs. 25,000 please note that you are exempted from payment of Security Deposit of Rs. 50.

In regard to inclusion of Developer No. 2 in the contract fixed with you, I am to state that it is not possible to do this now.

As regards insuring the consignments, I am to intimate that you may take up this question with the Indenting Officers, as and when you receive their indents and take action accordingly.
